

## Children 14 and under granted free entry

The Kelmscott Agricultural Society is pleased to announce that thanks to the State Government and Royalties for Regions, children 14 and under will be granted free entry to the 115th SmokeFree WA Kelmscott Annual Show when accompanied by an adult.

This will mean savings for families and provide a great opportunity for families to attend this fantastic community event and also promotes farming and agriculture to a wider city audience.

Free entry to children at the 2012 SmokeFree WA Kelmscott Annual Show saw an increased number of families attending. In 2013, free entry along with the continuation of the Show as a smoke-free event is sure to reinforce the SmokeFree WA Kelmscott Annual Show as the premier family event in the region.

The entertainment for families has been increased this year to include a variety of animal displays and a farmyard nursery, kids entertainment including the Eco Faeries, Rainbow Yogis and for the first time a meet the instruments session with the Classic Sounds Orchestra. Each day the Show concludes with the SmokeFree WA Fireworks Spectacular!

The SmokeFree WA Kelmscott Annual Show is located at Rushton Park on the 18th and 19th of October 2013. Gates open at 4pm on Friday until 10pm, and 9am to 9pm on Saturday. For admission prices and more information on our attractions and entertainment visit our website at <http://kelmscottshow.com.au> or our facebook and twitter pages.
